JANHAVI PRASHANT PARAB

Python Developer | AI & Automation Enthusiast | B.Sc. IT Graduate

8779150297 | jaannviparab@gmail.com | Mumbai, Maharashtra | GitHub: github.com/jaannviparab-codess/ai-nivaran

PROFESSIONAL SUMMARY

B.Sc. Information Technology graduate (CGPA 9.10, 2026), hands-on with Python, APIs and API integration, backend development using Django and Flask, and SQLite databases, with web/UI development using HTML and CSS. Currently learning Data Science, Artificial Intelligence and Machine Learning, with a strong interest in building practical software, automation and AI-driven solutions through real projects.

TECHNICAL SKILLS

Programming: Python

Backend & Web: Django, Flask, HTML, CSS, Web Development, Backend Development, APIs, API Integration

Database: SQLite, Database Management

AI & Data (Currently Learning): Data Science, Artificial Intelligence, Machine Learning

Tools: VS Code, Git, GitHub, Claude (AI-assisted development), MS Office, PowerPoint, Canva

PROJECTS

AI Nivaran — AI-Powered Civic Issue Reporting Platform

Live: ai-nivaran.vercel.app | GitHub: github.com/jaannviparab-codess/ai-nivaran

- Web platform for citizens to report public infrastructure problems such as potholes, garbage and faulty streetlights.
- Uses AI to detect and classify reported issues, assign priority scores and track each report through to resolution.
- Includes user registration and sign-in, a multilingual interface (English, Hindi, Marathi) and a demo mode with simulated reports; deployed on Vercel.

Automated Wheelchair — April 2026

- Designed and built a functional automated wheelchair prototype using Arduino, ultrasonic sensors, motor drivers and a Bluetooth module for wireless control; programmed in C/C++.

JOB SIMULATIONS

- Deloitte Data Analytics Job Simulation — Forage: Performed data cleaning, analysis and visualization, and translated insights into business recommendations.
- TATA GenAI Powered Data Analytics Job Simulation — Forage: Conducted exploratory data analysis and risk profiling, AI-based delinquency prediction and data storytelling.

EDUCATION

B.Sc. in Information Technology | CGPA: 9.10 | Completed 2026

CERTIFICATIONS

Advanced Excel | September 2025

CURRENTLY LEARNING

Data Science, Artificial Intelligence, Machine Learning

ADDITIONAL INFORMATION

Soft Skills: Communication, Teamwork, Problem Solving, Time Management, Adaptability

Languages: English, Marathi, Hindi
